

TBS Dress Code 2021 – 2022

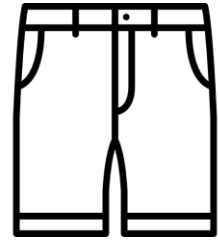

The TBS dress code is in place to help promote a community of students dressed for learning, who look respectful, neat and modest.

For the 2021-2022 school year, all students **must wear** a properly fitted mask at all times when indoors.

Students are encouraged, but not required, to wear polos, button-down shirts or blouses. Shirts must be long enough to cover the midriff and back, including when hands are raised.

Dress pants, dress shorts, skirts, dresses and jeans are permitted. Leggings are acceptable for warmth, under a top that could also be worn without leggings. Lower School students may wear athletic shorts.

Other Items

- All shoes are permitted that allow for full engagement in school activities. Lower School students must wear closed-toed shoes at all times. Crocs, slides and shower shoes are not appropriate for school.
- Hats and sweatshirt hoods may not be worn inside any building.
- Novelty headbands are not to be worn in classrooms.

Students may wear t-shirts. Middle and Upper School students' t-shirts, sweatshirts or hoodies must have a TBS logo, a pattern or be blank.

Game Day Dress

“Game day dress” is the phrase traditionally used to describe days that students are required to dress in a more formal manner and is associated with special events. Teachers will explain guidelines for dress for special events as they arise. Game day attire for athletes will be determined by the Athletic Director and coaches. Choices will adhere to the general dress code guidelines, while allowing athletes the opportunity to celebrate and promote their team.

Additional Notes

- All clothing should remain free of rips and tears, with no frayed hems.
- All undergarments should be concealed at all times.
- Clothing and face masks may not have any reference to drugs and/or alcohol, and should not be intentionally distracting in a school environment.
- Shoulder straps must be three fingers wide. Strapless tops are not permitted.
- Dresses, skirts and shorts must be fingertip-length.

Because fashion trends change, body types are not the same, and clothing fits differently on different people, it is important to abide by the “spirit” of the dress code. If there is a question about whether or not an item adheres to the dress code, please ask a teacher or administrator before wearing it to school.
